If picking up a child(ren), please wait in the front hall and your child(ren) will be called down.				

Please Take Note...

- Our school is currently at 77% of families that have signed up for online payments. We need the other 23% of families to get registered ASAP. Here is a link for a step by step video on how to register. <http://www.kevsoftware.com/movies/ParentRegEnglish/> If after watching this video and your still unable to register, call the school and Mrs. Thomas will schedule a time for you to come into the school and using a computer in the library will assist you in getting registered. It is a good idea to get registered now as this will follow your child(ren) into high school.
